

# NEBU J ISSABEY

## MUSIC PROGRAM

POWERED BY ACF

## Music Lesson Policy

AUAF has brought music to hundreds of students during its 3 years. The main reason for our success is that we have- hands down -the best teaching staff in the Chicagoland area.

- Our teachers have been with us for many years, and have a minimum of five years of teaching experience.
- Our teachers are professional musicians with varied performance credits, including performances with bands and orchestras

## Cancellation Policy

To present to you with this high caliber of music instruction, our teachers must be fairly compensated for their time. When you sign up for lessons, you are reserving both a time slot from your teacher and a teaching room.

- 1 Week notification required if you are unable to attend class
- No Show/Missed class without notice will result in a fee.
  - Each amount is different and based on your instructor
  - Please see, **Stella Sweiss**, [Program Director](#) for an exact fee.

We look forward to providing you with the best possible musical enrichment experience. If you have any questions or concerns about our policies, please feel free to contact us.

Sincerely,

**NEBU J. Issabey Music Program**
